

Assignments Overview

2019-08-07

Course(s) Used:

- Interpersonal Communication

Goals and Objectives:

- Students are familiar with the Fishbowl Discussion assignment.
- Students are familiar with the Literature Review assignment

Rationale: This lesson ensures that students are familiar with the two major assignments in the course.

Materials Needed

Materials:

- Handout of the Fishbowl Discussion assignment and grading rubric.
- Handout of the Literature Review assignment and grading rubric.

Technology:

- Access to a classroom computer and digital display will be useful.

Outline of the Lesson

1. Review of previous session's content
2. Overview of Fishbowl Discussion assignment
3. Annotating articles
4. Discussion portion of assignment
5. Class questions
6. Overview of Literature Review assignment
7. Paper portion of assignment
8. Presentation portion of assignment
9. Class questions
10. How to use these two assignments together
11. Hands on group work
12. Example Fishbowl Discussion in class
13. Lesson closing

Limitations

This lesson requires student participation and buy-in. Finding a topic for the practice discussion on the same day is a challenge.

Variations and Accommodations

Follow guidance from local accommodation authorities.
